SUSTAINABILITY & ESG FORUM 2023

Event Overview

In an era where sustainability and ESG are becoming central to business strategies, it's crucial for AEC firms to stay ahead of the curve. EFCG is hosting its second Sustainability and ESG Forum to foster dialogue, share insights, and address the sustainability and ESG challenges and opportunities facing the AEC industry.

Industry leaders will come together to share best practices, good case examples and lessons learned on ESG strategies, regulations, and client services, and address the trends that lie ahead. Alongside these discussions, EFCG will contribute its extensive data and expertise in sustainability and ESG strategy, reporting, and communications.

Dates & Times

Thursday, November 2nd 8:30 am – 4:30 pm ET

Venue Location

The Warner
1299 Pennsylvania Avenue,
Washington, DC 20004

Photography & Press

Recordings and images from the event may be used for live or on-demand sessions, EFCG materials, or by other participating firms in their own promotions. If you prefer not to be recorded or photographed, please let EFCG know. Press will be invited to the event and may publish articles on the event and its sessions.

**EFCG is the leading
advisor to AEC firms**

EFCG's mission is to provide a data-driven and strategic edge to Architecture, Engineering, and Consulting (AEC) firms to advance the innovation, sustainability, and success of the industry. In the last 33 years, EFCG has served as a retained advisor to 500+ firms, developed a proprietary industry database of financial and business metrics, held nearly 100 executive conferences, and advised on 180+ M&A transactions. The relationships we have formed with the executive leaders at every major AEC firm make us the most trusted financial, strategic, and M&A advisor.
