TECHNOLOGY LEADERSHIP CONFERENCE

June 15-16, 2026

ABOUT EFCG

EFCG is the leading consulting and investment banking firm in the Architecture, Engineering, and Consulting (AEC) industry. Our mission is to provide a strategic edge to AEC firms to advance the industry through our end-to-end, integrated solutions that support executive leaders with their most critical strategic and financial decisions.

In the last 35 years, EFCG has served as a retained advisor to 550+ firms, developed an extensive proprietary industry database of financial and business metrics, held over 100 executive conferences, and advised on 240+ M&A transactions. The relationships we have formed with the executive teams at every major AEC firm make us the most trusted corporate finance, strategic, and M&A advisor.

 **EFCG is the leading advisor to AEC firms, providing expertise in:**

TECHNOLOGY LEADERSHIP CONFERENCE

June 15-16, 2026

ABOUT EFCG'S TECHNOLOGY LEADERSHIP CONFERENCE

With AI now emerging as one of the most transformative technologies of our time, there has never been a better moment for AEC firms to reimagine how they can turn these disruptions into opportunities. To bring fresh ideas to our AEC clients, EFCG is hosting our Technology Leadership Conference once again. This event will delve into industry trends impacting technology leaders and explore the associated business and financial implications. Set in the iconic Chicago Willis Tower, this collaborative space will welcome an exclusive group of over 100 technology leaders and partners with invaluable learning and networking opportunities.

Convene Willis Tower is a premium venue in one of the most iconic trophy buildings in the world. Spanning 90,000 square-feet across the entire third floor and features park-like design elements as well as 24-foot floor-to-ceiling windows, five private outdoor terraces, and plenty of natural light, conveniently located in the Loop neighborhood of Chicago.
